Special Programs

Speech and Language Program

- The speech and Language Program is a specialised program for children with severe communication difficulties. Their learning and development in other areas is age appropriate.

- Children need to be referred by a speech pathologist. Successful entry is gained after consideration by an intake Panel who review each child’s application and assess their needs according to the pre-determined criteria.

- Places are available for children eligible to attend full time kindergarten.

- Children attend from outside this local area.

- It is staffed by a speech pathologist and teacher with seven children in the group.

- Children are integrated into the mainstream kindergarten wherever possible with specialised support provided to help develop their listening, talking and social skills.

- The program operates Tuesday and Thursdays from 8.45 am to 3.30 pm and Friday mornings (even weeks) from 8.45 am to 11.45 am.

- Further information can be obtained from your child/s speech pathologist.
